- 3.5 If as a result of inspection or testing Trittech is not satisfied that the Goods will comply in all respects with the Contract, and Trittech so informs the Seller within 7 days of inspection or testing, the Seller shall take such steps as are necessary to ensure compliance. In the event that the Seller does not take such steps within a further period of 7 days, Trittech may terminate the Contract without liability and recover from the Seller any additional costs in obtaining substitution Goods from a third party. In the event that the Goods were paid for by Trittech in advance, Trittech shall be entitled to require the Seller to refund the Price to Trittech.
